

PURCHASE A DEDICATION PAVER!

Help KHS by Honoring a Loved One – Two- or Four-Legged!

Adoptions • Spay/Neuter • Behavior • Pet Resorts • Education

Show your everlasting support to the animals who have found a second chance at life through the Kentucky Humane Society.

You can honor a family member or beloved pet with a Dedication Paver. These attractive, engraved stones are laid in paths around the KHS Main Campus. The special "Garden of Lifelong Friends" is a lovely place to remember and celebrate the pets and people who have touched your life. Each paver in honor of a beloved pet includes an adorable paw print.

All funds raised through our Dedication Paver Program directly benefit our mission to help homeless pets. By purchasing a Dedication Paver, you not only honor your loved one, but also assist in providing food, shelter and medical care to orphaned pets desperately in need of a second chance.

Look at how a Dedication Paver can touch a life:

- In memory of a pet or loved one
- Celebrating birthdays (both pet and human!)
- In lieu of holiday gifts
- Honoring outstanding employees
- Contributing community businesses
- Wedding and anniversary dates
- Or, for the animal lover who has everything
