

Eagle Scout or Troop building project ideas for the Kentucky Humane Society

What: Outdoor Cat Houses

Used for: KHS has working cats around multiple campuses/locations. These will provide a safe place for our cats to sleep, eat, and or be safe from weather elements.

Where: SNIP Clinic, Willow Hope Farm, Sam Swope Pet TLC (Main Campus) and Fern Creek Pet Resort

Steps:

- 1) Complete the build (videos provided- either option is fine)
- 2) Stain in an oak wood finish
- 3) Can paint the roof out of the following color options (only the roof and one color)

<https://www.youtube.com/watch?v=rODNnP5KBA8>

What: Benches

Used for: KHS has multiple areas that could benefit from having a bench. They can go to play yards that staff/volunteers/potential adopters would use.

Where: SNIP Clinic, Sam Swope Pet TLC (Main Campus), Fern Creek Pet Resort and East Campus

Steps:

- 1) Complete the build (videos provided—either option is fine)
- 2) Stain in an oak wood finish (no paint, stain only)

What: Picnic Tables

Used for: KHS staff would really enjoy having a place to sit outside for breaks, eat lunch or to potentially house staff meetings.

Where: SNIP Clinic, Fern Creek Pet Resort, Willow Hope Farm and East Campus

Steps:

- 1) Complete the build (video provided)
- 2) Stain in an oak wood finish (no paint, stain only)

What: Outdoor Cat Shelters for working cats

Used for: Multiple KHS campuses have working cats on their properties

Where: SNIP Clinic, Willow Hope Farm, Sam Swope Pet TLC (Main Campus) and Fern Creek Pet Resort

Steps:

- 1) Obtain all supplies needed in the photo provided
- 2) Follow the instructions of the picture

Styrofoam Insulation

Second Container filled with Straw

Cover Second Container

More Insulation

Final Cover

Completed Shelter

When your Troop/Scout is ready to drop off the item(s), please reach out to the Volunteer Engagement Manager to schedule. Volunteer@kyhumane.org
