

Company Group Volunteer Opportunities

Thank you for your interest in supporting the Kentucky Humane Society as a volunteer! There are many ways to get involved, each with different time commitments, training and responsibilities.

Please contact our Volunteer Engagement Manager at volunteer@kyhumane.org to schedule your visit. If you have a large team and are interested in volunteering at multiple locations, we can send you options. Please be aware you will be exposed to allergens such as dust, animal dander and peanut butter.
